

Linux Administrator

LOCATION: DALLAS/FORT WORTH

WHY PEGASUS

At Pegasus, we get up in the morning to deliver an elevated experience for our customers unlike any other. Our customers need technology experts that are passionate about their success. Pegasus listens, learns their business and they can always trust us to design the right solutions that deliver business value. We invest in our people and emphasize our culture, which extends to everyone we work with. Building lasting relationships is at the heart of what we do. Because for us, it's not just business... it's personal. We care! It's who we are. We are proud to earn the following workplace awards for our unique culture and commitment to our Pegasus Family:

- 2017 Dallas Business Journal Best Places to Work, Ranked No. 2
- 2018 DFW's Best & Brightest Companies To Work For
- 2018 Texas Monthly's Best Companies To Work For In Texas
